## Profile

---

First, I believe that this nation should commit itself to achieving the goal, before this decade is out, of landing a man on the moon and returning him safely to the earth. No single space project in this period will be more impressive to mankind, or more important for the long-range exploration of space; and none will be so difficult or expensive to accomplish.

## Experience

---

- Softeare Developer Mar-2023 - Mar-2023  
Hashroot  
kochi,kerala,India  
One way to do this could be to use array\_reduce and pass an empty array as the start value. Then in the callback  
good methods

## Skills

---

php ,laravel ,js

## Projects

---

- Maccess 6  
module creation and support  
devloipment ,maintenance

## Certifications

---

- aws

This should work if you are only trying to get the number of empty slots in an array.

## **Education**

---

- Btech
