Profile

First, I believe that this nation should commit itself to achieving the goal, before this decade is out, of landing a man on the moon and returning him safely to the earth. No single space project in this period will be more impressive to mankind, or more important for the long-range exploration of space; and none will be so difficult or expensive to accomplish.

Experience

Developer Mar-2023 - Mar-2023

Hashroot

kochi,kerala,India

One way to do this could be to use array_reduce and pass an empty array as the start value. Then in the callback

good methods

Skills

php ,laravel ,js

Projects

Maccess

module creation and support

devloipment ,maintenance

Certifications

aws

This should work if you are only trying to get the number of empty slots in an array.

Education

Btech

Vit

2017-2019

Tamilnadu
