Profile

First, I believe that this nation should commit itself to achieving the goal, before this decade is out, of landing a man on the moon and returning him safely to the earth. No single space project in this period will be more impressive to mankind, or more important for the long-range exploration of space; and none will be so difficult or expensive to accomplish.

Experience

Developer	08/03/2023 - 23/03/2023

Hashroot kochi,kerala,India
One way to do this could be to use array_reduce and pass an empty array as the start value. Then in the callback
good methods

Skills

php ,laravel ,js

Projects

Maccess	6

module creation and support
devloipment ,maintenance

Certifications

aws

This should work if you are only trying to get the number of empty slots in an array.

Education
